Community Engagement

Branding

SOCIAL MEDIA

1. Growing the page organically/paid to create a lifetime customer that is interesting in your business or service.
2. Community awareness is vital for people in the area. People need to know your in the area to do business with you.
3. Creating an audience to provide information which will provide engagement and learn more about your business and what you do.
4. Facebook offers social proof such as reviews, posts, community presence. Customers can find important information on your page such as a member's name, numbers, location, website and more.

Facebook Ads

FACEBOOK ADS

Facebook ads are inexpensive and hyper-targeted. Effective Facebook ads can reach 1,000 people with less than \$5-\$10. Facebook targeted ads can reach your recent website visitors, email subscribers, and demographics of your customers. You can use Facebook ads to fuel your website with qualified traffic and more conversions. What is the LTV (Lifetime Value) of the client. Services include

1. Custom landing pages to convert higher quality leads (CPL - \$3-\$20)
2. Design of ads, copywriting, headlines, and more
3. Analytical reporting
4. Pinpoint demographic targeting
5. Retargeting people who engaged with the website, ad, or facebook page
6. Lookalike audiences, facebook creates an audience that matches data from previous engagement to find high-quality people that would most likely convert

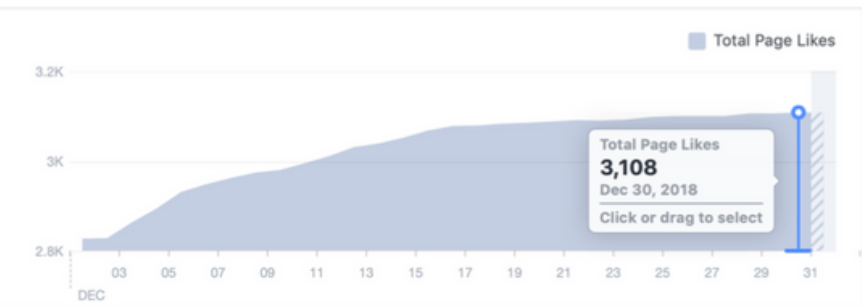

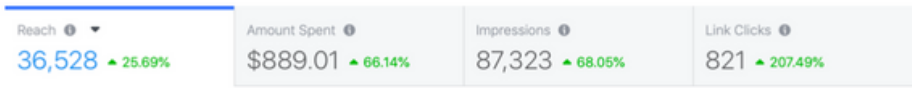

Facebook is cheaper and more effective for lead generation and impulse. With Google, someone has to search your service but with Facebook, you put your service in front of people who showed interest in any aspect of the business.

EMAIL MARKETING

Email marketing is a great way to obtain that customer for life. you can grow the audience and provide any information, updates or incentives. Can be grown organically by placing on website, facebook, etc and can be grown paid by ads.
